[How To Change Oem Logo In Windows 7](#)

The screenshot shows a Windows 10 system information screen with a yellow and green gradient background. At the top, the text "Change your OEM Logo In Windows 10" is written in a large, stylized font. Below this, the "TechFully TF" logo is displayed. The "Windows edition" section shows "Windows 10 Enterprise 2015 LTSB" and "© 2015 Microsoft Corporation. All rights reserved." The "System" section lists the following details:

Processor:	Intel(R) Core(TM)2 Duo CPU P8600 @ 2.40GHz 2.40 GHz
Installed memory (RAM):	3.00 GB
System type:	64-bit Operating System, x64-based processor
Pen and Touch:	No Pen or Touch Input is available for this Display

At the bottom, the URL <http://Facebook.com/Techfully> is written in a large, stylized font. A circular logo on the right side reads "TechFully By Nirbhay". The Windows 10 logo is also visible in the top right corner.
